

## SMALL AND INTIMATE OFFERINGS

A Micro Wedding and Reception for those couples that are looking for an intimate area with just immediate family and friends invited for their special day. The Garden Room is a great option. Not every couple is looking for a large venue to host their special day. If decorating is going to be minimal and attendance is below 100. Then our Micro Package is a great option.

### The Garden Room Micro Event

The Garden Room, located in the south wing of the Homestead, has air conditioning and heat along with modern restrooms. This location can be used as a wedding/reception hall. The Garden Room could also accompany an outside wedding in the adjacent courtyard by the small pond and bridge. In order to book a micro wedding and reception, attendance must be lower than 100 guests, no alcohol allowed, hair and make up needs to be done off location. A changing room is available for the ladies but the gentlemen will need to arrive ready to go. The Rental will be for two days only, day before and day of event. Tables, chairs, and backdrop will be included in the rental fee. Rental fee is \$1000.00

Bearcreek Country Events is in fact a working farm with apple orchards, blackberry patch, beef cattle, horses and rescue animals, but it is also the perfect place for a wedding. Bearcreek Farms can offer a variety of options for that small country wedding with a touch of class at an affordable price. The grounds provide several beautiful locations for your ceremony and photo opportunities. The settings are endless. Let this rural country setting become your ideal location for that special day.

## Meeting House

The Meeting House seats 300-350 guests. It has a hardwood floor, air conditioning and heat, along with restrooms. This location is ideal for a reception or a wedding/reception

## The Garden Room

The Garden Room, located in the south wing of the Homestead, seats 200 guests. It has air conditioning and heat along with modern restrooms. This location can be used as a wedding/reception hall. The Garden Room could also accompany an outside wedding in the adjacent courtyard by the small pond and bridge.

## The Rustic Barn

The Old Barn, formerly the General Store, offers another option for an intimate wedding set inside. This building does require the rental of modern restrooms, unless the Meeting House is jointly being rented for the reception. Seats 200-250. The Rustic Barn does not have air or heat.

## The Old Barn

The Old Barn gives the couple the perfect rustic background. There is plenty of yard area for your guests to sit or stand during the ceremony. This location provides a cost effective way to have the dream of a barn wedding without a lot of decorating or expenses.

**The Red Barn Courtyard** offers a quaint country setting for small outdoor weddings. This old rustic building provides the perfect backdrop of a scenic farm wedding.

**\*\*Outdoor locations require the rental of modern restrooms, unless the Meeting House is jointly being rented for the reception; restrooms are available there.**

Bearcreek Country Events provides the facility for your big day with the understanding that other weddings may be going on at the same time in one of the other locations, thus we will help with signage on these popular days. Bearcreek will provide a list of possible vendors to provide the catering, music or any other needs, but it is up to the wedding party as to whom they want to use. We also maintain a catering hall alcohol license. It is required to use Bearcreek Farms for all alcohol services and bartenders.

**In order to hold your date, a \$500 non-refundable payment is required. This payment will be applied to your event fee.**

### **Rental Fees:**

Outdoor Weddings and any use of our grounds for a wedding is \$750.00. Any use of chairs, restrooms, tents, sound system and or decorations is the responsibility of the renter.

Minimal electric is available for most outdoor locations.
